

PVC Pencil Holder

ABLE Tech

Make-n-Take

Materials:

- Two - 1/2 in. PVC Pressure Tee Connectors
- One - 1/2 in. PVC Nipple, or cut 4 in. from length
- One - 1/4 in. x 1 in. thumb screw
- Add protective covering on thumb screw (ex. pencil grip)

(PVC and other materials are available at Home Depot, Lowe's or similar hardware store. Pencil Grip can be purchased at Wal-mart)

Directions:

1. Drill a 1/4 in. hole into one of the PVC Tees. Locate the hole at the center of the tee (see diagram).
2. Assemble the pencil holder by attaching a PVC Tee to each end of the PVC Nipple. The parts may be threaded and will screw together.
3. Thread the thumbscrew into the drilled hole.
4. Place pencil, marker or paintbrush into the Tee and tighten with the thumbscrew until secure. Add protective covering over thumbscrew.
