City of Sayre, Oklahoma, Launches Online Payment Center

Online bill pay system brings convenience and efficiencies to citizens and businesses

Sayre, OK – August 14, 2013 – Conducting business with the [city of Sayre](#) is now faster and more convenient. City of Sayre residents and businesses now have the ability to securely pay utility bills and landfill billings online through [its website](#).

"We are so pleased to unveil our new online bill pay system to the citizens and businesses of Sayre," said Patricia Nation, City Clerk/Treasurer. "We strive to provide user-friendly methods to transact business with the city over the Internet, resulting in convenience, fast access to information, and increased productivity for our city staff."

Payments can be made 24 hours a day and are processed through [OK.gov](#)'s secure payment engine. OK.gov abides by rigorous policies and procedures to safeguard all personal information, such as banking information and personal data. This ensures that residents and businesses can be confident that their payments are safe, private, and secure.
