### AMENDED NATURAL DISASTER EXCEPTION

We will charge only \$200.00 for preliminary abstracting and \$100.00 for final abstracting for any homeowner who sustains a material loss or damage to their home by reason of any natural disaster, including, but not limited to tornadoes, wild fires, or flooding or creeks or rivers that overflow their banks because of rain. This execution will pertain only to owner occupied homes at the time of loss or damage.

For each exception, the abstractor shall reasonably determine by itself or from independent sources that the home and/or other improvements located on the real property have been materially or totally damaged by such natural disaster to such an extent that it causes the property owner(s) to seek mortgage financing to repair or replace the damage and that the abstracting was ordered by the owner's lender for such purpose or that the owner(s) has elected to sell the real property to a third party pursuant to a signed Real Estate Purchase Agreement. This shall be documented by an affidavit under oath by the property owner(s) and supported by either (a) a current updated photo depicting the loss or damage to the property, or (b) a document from the owner(s) insurance company reflecting the loss.
