

Glenda Mittasch
District 4 Representative
Powers Abstract Company
Perry, Oklahoma

OCTOBER "MESSAGE FROM THE BOARD"

Fall is upon us and hopefully everyone has weathered the dog days of summer and the record breaking 100+ days. As you may know the OAB new rules went into effect July 1, 2011. Many of you will be renewing your Certificate of Authorities and Individual licenses in January. Remember that they must be submitted 90 days prior to expiring. We have received some calls regarding renewals of individual licenses when you are renewing your Certificate of Authority. If it is easier to renew all of your employees at the same time, we do not have a problem with that, and some individuals may have extended renewals if they do not renew in January, February, and March. This year we have two new permits to build a title plant, two transfers of ownership and one new abstract company, Green County Abstract in Tahlequah. We welcome these parties to the industry. The Board has hired a new Inspector, Mitzi Combs to replace Terry Parrish; we say goodbye to Terry and wish her well. Terri did an excellent job getting all the abstract companies inspected in the two-year period since the OAB Board originated and Mitzi is now making the round to introduce herself and follow up on any issues companies may have had during their first inspection. We welcome Mitzi and we hope if you have any questions or problems that you can direct them to Mitzi. We hope that the low interest rates will "stimulate" the economy for a prosperous fourth quarter. If you have any issue in your area, please feel free to contact your OAB board member.

Respectfully,

Glenda M. Mittasch
