

Terri McNulty  
Executive Administrative Assistant  
Oklahoma Abstractors Board

#### APRIL "MESSAGE FROM THE BOARD"

Spring is a time when flowers blossom amongst fresh picturesque backdrops and denotes a new growth and a new beginning as well. Spring is one of my favorite seasons; this is the time when you can hear birds chirping softly as the new buds cover the bountiful greens. April brings a small sigh of relief for my position at the OAB office. Most of the Certificate of Authority renewals have been processed for the year and it is a time for catching up on all of those time consuming projects that have been pushed aside all year.

One of those projects may soon be coming to a close. I am very excited to announce that after working on our on-line licensing for close to two years, we have been informed that we are close to going live sometime early in October. Our software should be with the developer for approximately 4 more months and then we will go into the testing phase. We hope that everything should be up and running before our busy renewal season begins again around the first of November. Very soon you will have the choice to renew on paper form or on-line through our website.

Unfortunately this April also brings a sad time for the OAB office. Terri Parrish has resigned her position as the OAB Field Inspector to join her husband with his new career position in Tahlequah, Oklahoma. Terri has been a pure joy to work with and has taught me a great deal about the abstracting industry. Her professionalism, friendship and humor will be truly missed. The Field Inspector position has been posted under the "employment" tab on our website for anyone interested in this challenging job and I hope that her replacement is closely comparable to such an exceptional individual as Terri...she has left some very big shoes to fill.

In closing, I will leave you with one of my favorite quotes from an endearing icon..."For attractive lips, speak words of kindness. For lovely eyes, seek out the good in people. For a slim figure, share your food with the hungry. For beautiful hair, let a child run their fingers through it once a day. For poise, walk with the knowledge that you never walk alone. People, more than things, have to be restored, renewed, revived, reclaimed and redeemed." – *Audrey Hepburn*

Respectfully,

Terri McNulty  
Executive Assistant
