Thank you for your efforts to assist those residents in the areas suffering from the recent tornados. As a result of the storm damage, many residents will be receiving insurance proceeds checks. We encourage banks and credit unions in the affected areas to cooperate with customers and non-customers alike to assist in cashing or depositing checks representing these proceeds. This may include waiving fees that may otherwise be a part of your fee schedule.

If there are any questions you may have or if you need the assistance of the State Banking Department, please contact our office. Thank you for your cooperation.
