

Examiners Achieve Safety and Soundness, Specialty Certifications

The Banking Department had several examiners satisfy the criteria established by the Conference of State Bank Supervisors (CSBS) Education Foundation Certification Program during 2015.

Commissioner Thompson commended these examiners for exemplifying the high quality of state banking department examiners. The CSBS Education Foundation Certification Program is designed to identify individuals who have demonstrated superior technical competency in bank examination and supervision.

The following examiners were recently presented with Safety and Soundness and Specialty Certifications:

Certified Senior Bank Examiner:

Melanie Sparks, Senior Examiner

Certified Examiner-in-Charge:

Mo Wilson, Examiner

Certified Anti-Money Laundering Specialist:

Mo Wilson, Examiner

Associate Certified Information Systems Examiner:

Ken Fisher, Senior Examiner
