

CONTINUING EDUCATION APPROVAL for LPC/LMFT ETHICS and SUPERVISION

Document below the name of your ethics/supervision workshop or the portion(s) of your program that approximates ethics/supervision content. Please note: the ethics/supervision portion of your program must be clearly indicated on this form as well as the verification documentation you provide to your participants. Please enclose a brochure, agenda, or brief description of your workshop including the times, dates, presenters, presenter's qualifications and content.

1. _____
2. _____
3. _____
4. _____
5. _____

In order for your program to qualify for acceptable continuing education for counseling ethics or counseling supervision, it must meet all requirements listed in SUBCHAPTER 17. CONTINUING EDUCATION REQUIREMENTS, of the LPC Regulations. In order for your program to qualify for acceptable continuing education for mental health ethics and therapy supervision, it must meet all requirements listed in SUBCHAPTER 15. ISSUANCE AND MAINTENANCE OF LICENSE, of the LMFT Regulations. In addition, it must also approximate one the categories listed below. Please indicate with a check mark which category best describes the content of your program.
