This course is designed to augment the Chiropractic physician's ancillary therapeutic modalities through the application of injectable procedures in which nutritional pharmacotherapeutic substances are clinically administered. **The course is limited to the first 40 doctors.**

These courses are offered in collaboration with the UCA through the Institute for Chiropractic Pharmacotherapy and Marion Medical, P.C., and taught by Michael Taylor, DC, DABCI, APC of Tulsa, Oklahoma. These courses meet the requirements set forth by the Oklahoma Board of Chiropractic Examiners for the purpose of becoming certified to administer injectable nutrients within the State of Oklahoma. NOTE: ACA members who are current, will be given a free membership to the ACA's College of

Pharmacology and Toxicology until October 1st, 2017.

The courses will include a total of 24 hours of lecture and “hands-on” lab, whereby the Chiropractic physician would receive classroom instruction in laboratory diagnosis of pathology as it relates to the use of injectable, nutritional substances, homeopathic articles, compounded nutritional articles, indications and contraindications including areas within risk management; OSHA requirements for your employees as well as public health concerns; technical instruction regarding proper injection techniques; and physically applying them (will require review of some anatomy); emergency procedures for shock; differentially diagnosing referred visceral pain from neuromusculoskeletal etiologies; and protocols for musculoskeletal and primary care conditions, and more.

No audio or video tape recorders are allowed, and no portion of the seminar may be reproduced in any manner without expressed written consent. The materials are copyrighted. Pre-registration is required. Marion Medical cannot be held responsible for any expenses incurred by registrar if a program must be altered and/or cancelled. Seminar fee is non-refundable. If the Doctor is unable to attend after pre-registering and payment has been received, the seminar fee will be transferred to another Injectable Seminar (attended within 12 months of the original seminar) for an administration fee of \$25. Any seminar fee not transferred and used within 12 months will be forfeited. If you have any questions, please call 918-749-3797.
