Correction: To clarify the requirements as stated in the RFP Overview –Section C

Solicitation is for a Commercial-Off-the-Shelf Solution

The State of Oklahoma Department of Agriculture is seeking procurement and implementation of a Commercial Off the-Shelf (COTS) proven and successfully implemented vendor-hosted, web-based technical solution that provides complete online services for a wide range of licenses, permits, certifications, tonnage fees, inspections, vehicle maintenance logs, employee daily activity logs, Notices of Intent/termination, complaints, and registration management functions to support ODAFF’s various lines of business. The resultant web based solution will be required to serve and manage approximately 95,830 licensees, permits, and inspections of various types. It is the intent of ODAFF to implement the latest commercially available version of the COTS-ITS solution; ODAFF anticipated some required customization/ modifications; ODAFF and the successful supplier will discuss in detail the required customization/modifications and will be approved by ODAFF on a case-by-case basis only.
