Description of Amendment:

a. This is to incorporate the following: Questions

1. Ashley Graham

Good afternoon,

I was curious if there was an incumbent contract for this initiative? I understand the RFP states, "Currently there are eleven different Student Information Systems being used by various school districts around the State." Do these have contracts or are the vendors listed somewhere? Additionally, has funding been secured for this project at this time? I appreciate any assistance. Thank you.

Re: There is an incumbent contract for this initiative, it has reached the end of its renewals periods. The current systems used by the school districts are listed below with the count of districts also. The funding for this contract is already budgeted.
