Section	Functionality – Option 1 Quick Pick Programming	Available - Base configuration without affecting cost	Available - Optional feature without affecting cost	Available - Optional Feature & Associated Cost	Currently Not available
C.15	<b>Quick Pick Programming</b>				
	Variable Rate				
	Rate programming based on time of day				
	Discount Reference Number programming				
	Multiplier				
	Calculate expiration Date & Time				
C.2.1	<b>Display Screen</b>				
	Visual prompts of rates & options that are section 508 compliant				
	Screen user friendly				
	Easily readable from different angles				
	Easily readable with varying lighting				
	Resistant ot extreme weather conditions				
	Modular for easy removal & servicing				
C.2.2	<b>Keypad</b>				
	Section 508 compliant keypad				
	Allows number entry as needed
