

INTRODUCTORY INTELLIGENCE ANALYST TRAINING PROGRAM
Oklahoma City, OK
July 26-30, 2010

CLEET in conjunction with The Federal Law Enforcement Training Center (FLTEC) is proud to sponsor this tuition free Introductory Intelligence Analysis Training Program (IIATP). The IIATP is a five day, 40 hour training program that provides the techniques and tools for the entry level intelligence analyst to produce actionable intelligence.

Attendees must be full time certified peace officers from state, local, county , campus, tribal , or federal law enforcement agencies that are responsible for the intelligence functions for their jurisdictions.

Students must register 30 days prior to the class start date, by completing the registration documentation at <https://registration.fletc.gov/login.jsp>

Class space is limited. Additional information regarding the registration process can also be obtained at <http://fletc.gov/state-and-local/state-local/training-opportunities/-introductory-intelligence-analyst-training-program-iiatp/?searchterm=iiatp>.

For information regarding this class please contact CLEET Field Representative David Milnes at 405-226-0279 or davidmilnes@cox.net
