You Will Learn How To:

- Interpret verbal and non-verbal behavior to help you assess the credibility of a suspect's statements
- Structure the interview using open-ended and investigative questions to develop the subject's statement
- Use behavior provoking questions in the interview process
- Persuade a suspect to tell the truth about their involvement in criminal activity
- Develop interrogation strategies and interrogation themes
- Use an alternative question to develop the first admission of guilt
- Use tactics to handle the more defiant suspect; overcome objections and their fear of consequences

Training Manual Includes:

A comprehensive outline filled with detailed information that will serve as an excellent follow up to the training program.
