#### About Gracie Combatives Military & Law Enforcement™ (GCMLE)

The Gracie Combatives™ Military & Law Enforcement Instructors Certification Course is the most influential combatives program of all time. Graduates will receive the coveted Gracie Combatives™ Instructors Certification. Gracie Combatives™ focuses on weapon retention & on leverage & technique over strength & size. Techniques are proven effective in the real world & at the same time, simple to learn & apply. Students will gain confidence in closing with an opponent (arrest & control) as well as using restraint first & lethal force as a last option. As a Law Enforcement Gracie Combatives™ Instructor you will have the benefit of Rorion Gracie being available to your students/organization, as an expert witness in excessive force law suits. This course is equally applicable to both Military & Law Enforcement personnel & there are countless testimonials of the effectiveness of Gracie Combatives in actual combat.

#### Overview of Gracie Combatives™

- Training is 5 days, at 6 hours per day, for a total of 30 hours.
- Students will learn 24 stand up & ground-fighting techniques & how to apply these techniques in the most common threat scenarios in the field, as well as teach these techniques to others.
- For more info go to [www.GracieAcademy.com](http://www.GracieAcademy.com) and click on Programs & then on Gracie Combatives™ for Law Enforcement.

#### About the Gracie Jiu-Jitsu Academy

The Gracie Academy is where “combatives” & the Mixed Martial Arts phenomenon began! The founder, Rorion Gracie, is the world's leading self-defense expert. Rorion is a Gracie Jiu-Jitsu Grand Master & the eldest son of Helio Gracie, the founder & creator of Gracie Jiu-Jitsu. Rorion is the father of 10 children. His teaching career spans over 35 years. He revolutionized the world of martial arts by creating the Ultimate Fighting Championship (UFC) & showing to the world that Gracie Jiu-Jitsu is the ultimate self-defense. Because of Rorion Gracie, grappling has been introduced into the training regimen of nearly every major martial art, military unit & law enforcement organization. Gracie Combatives™ is the foundation for the US Army's hand-to-hand fighting system. Rorion's sons, Ryrion, Rener & Ralek Gracie, Black Belt Masters & Professors, continue the tradition as the head instructors of the Gracie Academy.
