Patrol Officer Response to Street Drugs

This course is designed to enhance the ability and skills of all attendees to identify, detect, apprehend and successfully articulate the drug impaired person. This includes DWI or the drugged driver; the calls for service where persons are involved in disturbances; juveniles using drugs on school grounds or domestic violence; the confidential informant being utilized under the influence of a drug.

Highlights:

- Drug abuse recognition system using pupil meter cards and pupil lights.
- Drug physiology and pharmacology.
- Drug identification and methods of use.
- Recognition of drug signs and symptoms.
- Drug paraphernalia.
- Dangers of confronting subjects under the influence.
- Legal issues and coverage of all areas of warrantless searches.
- Clandestine lab recognition and drug distribution techniques.

Location: Absentee Shawnee Tribal Events Center & Casino: 15700 E. Hwy 9, Norman OK 73069
