Undercover Techniques and Survival

Undercover Techniques and Survival is a course designed to educate and train the undercover officer in all major aspects of undercover operations. Proper preparation and officer safety are stressed, as are teamwork, use of informants and survival.

Highlights:

- Covert Operations including post incident procedures.
- Informants.
- Preparation of the undercover officer.
- Undercover background and role.
- Approaches to the violator.
- Undercover survival techniques.
- Force on force techniques.
- Audio/visual electronic surveillance equipment and techniques.
- Planning undercover operations.
- Special undercover techniques.
- Legal aspects and testifying in court. Psychological effects of undercover opera-
