

"The nobility of policing demands the noblest of character." –Stephen R. Covey

Attend FranklinCovey's 7 Habits for Law Enforcement program.

June 23-25, 2009

True organizational change starts from the inside—from within each individual. When officers act on principle rather than emotional impulses, they make the right decision, even in highly charged situations.

Participants will learn how to:

- Define yourself from within to be a more influential leader
- Increase productivity and enhance motivation at all levels
- Develop and communicate your organization's mission, vision, and values
- Increase trust and teamwork in the community and within your agency
- Serve your community more effectively through a clearer understanding of citizen and stakeholder needs
- Balance all aspects of life by achieving and maintaining physical, emotional, and intellectual well-being
- Enhance overall effectiveness and quality of your performance

As you apply each of The 7 Habits, you will become a more effective leader while influencing the success and effectiveness of your agency or organization.

Implementing each of The 7 Habits helps develop leadership skills among law enforcement professional and improves the success and effectiveness of your agency or organization
