COURSE OF FIRE:

25 yard line

Stage A:

On the turn of the target, draw and present the weapon down range using a two hand grip and fire **TWO (2) rounds** to the center chest of the target while **kneeling** from the **strong side** of the barricade using the barricade for both cover and support in the time limit of **FIVE (5) seconds**. Upon completion, engage primary safety, recover to a standing position, scan for additional targets, return to ready gun and stand by.

Stage B:

On the turn of the target, present the weapon down range using a two hand grip and fire **TWO (2) rounds** to the center chest of the target while **standing** from the **strong side** of the barricade, using the barricade for both cover and support in the time limit of **FIVE (5) seconds**. Upon completion, engage primary safety, recover to a standing position, scan for additional targets, return to ready gun and stand by.

Stage C:

On the turn of the target, present the weapon down range using a two hand grip and fire **TWO (2) rounds** to the center chest of the target while **standing** from the **support side** of the barricade, using the barricade for both cover and support in the time limit of **FIVE (5) seconds**. Upon completion, engage primary safety, stand by.

Stage D:

From the ready gun position with primary safety engaged, on the command, "MOVE," shooters will walk forward keeping the line dressed, scanning left and right **moving your head only** until reaching the FIFTEEN (15) yard line. Once all shooters are at the FIFTEEN (15) yard line, the targets will turn

15 yard line

When the targets turn, fire **ONE (1) round standing, ONE (1) round kneeling** in the time limit of **SIX (6) seconds**. Upon completion, engage primary safety, recover to a standing position, scan for additional targets, **holster** and secure.

7 yard line

On the turn of the target, draw and present the weapon down range in a standing two hand grip and fire **FOUR (4) rounds** to the center chest of the target in the time limit of **FOUR (4) seconds**. Upon completion, engage primary safety, scan for additional targets, **holster** and secure.

5 yard line

On the turn of the target, draw and present the weapon down range in a standing two hand grip and fire **THREE (3) rounds** to the center **chest** of the target and **ONE (1) round** to the **face** in the time limit of **FOUR (4) seconds**. Upon completion, engage primary safety, scan for additional targets, **holster** and secure.

3 yard line

On the turn of the targets, present the weapon down range in a standing **two hand grip**; fire **THREE (3) rounds** center chest; **transition** from a two hand grip to a **one hand support hand grip**, fire **THREE (3) rounds** center chest in a time limit of **SIX (6) seconds**. Upon completion, engage primary safety, and scan using the one hand support side grip. On the command "**READY GUN**," transition from one hand grip to a two hand strong side grip. Holster and secure.

1 yard line

From the Interview position: On the turn of the targets present the weapon down range in a **one hand close quarter shooting position**; fire **THREE (3) rounds** to the center chest in a time limit of TWO and ONE HALF (2.5) seconds. Upon completion, engage primary safety; from the two-hand ready gun position, scan for additional targets. Holster and secure.
