

Council on Law Enforcement Education and Training
Basic Reserve Peace Officer Training Guest Instructor
Resumé
(Application for Waiver)

This constitutes an application by both the Academy Coordinator and the proposed guest instructor for a waiver of the requirement that all instructors be CLEET trained and certified. This form must be submitted, and approval granted, before any non-CLEET certified instructor may participate in training. If approved, this waiver is limited to the Academy and subject(s) specified.

Experience in the subject matter is not enough. A demonstrated success as a trainer is desired: a teaching degree, prior successful experience in training, formal training in adult teaching/training methods, and similar predictors are factors which will be considered.

Please submit, with this form, any supporting documents and/or materials, such as copies of diplomas, transcripts, letters of recommendation, etc. If a waiver is granted, all submitted materials will be retained by CLEET.
