The FBI-LEEDA Supervisor Leadership Institute (SLI) is a foundational 4½-day course that helps prepare the next generation of police leaders for their critical first steps in police leadership. Supervisors and managers at higher levels will benefit from the topics covered in this course, appreciating how first line supervisors are critical to the success of the organization. To lead others, we must first know ourselves and SLI takes us on that part of the leadership journey. Among the modules covered in this course, students will find out how the DISC factors, Dominance, Influence, Steadiness and Compliance, can predict your behavior towards others in day-to-day interactions. The students will thoroughly examine the concepts of credibility, accountability and motivation, while becoming familiar with aspects of liability and discipline that are vital to leadership at all levels of the organization.
