

**100% participation** is required and a minimum of one **76%** score on a qualification course to pass.

If you **do not** have 100% participation and/or if you **do not** have at least one minimum 76% score on a qualification course, you **will not receive CLEET credit** for attending the 32-hour course.

Classroom lecture will begin promptly at 0700 hours on Tuesday October 4, 2022, at the CLEET training center classroom #112. Bring a notebook, writing instrument and your **UNLOADED** rifle and rifle cleaning equipment. **Do not bring any live ammo** into the classroom.

The course will include, but not limited to, the following topics of instruction: Rifle Marksmanship Fundamentals, Range Safety, Rifle Care and Maintenance, Rifle Handling and Rifle Range Operation.
