

Goals

No-till Oklahoma is a conference designed to bring the latest developments in No-till cropping systems to interested farmers and ranchers from Oklahoma and surrounding states.

Overview

A program of innovative speakers providing for maximum interaction between agriculture professionals ranging from producers to industry experts.

Sponsors:

Oklahoma Cooperative Extension Service
Natural Resource Conservation Service
High Plains Journal
Southern Plains Agricultural Resources Coalition
Great Plains Resource Conservation and Development
Oklahoma Conservation Commission

Oklahoma State University, in compliance with Title VI and VII of the Civil Rights Act of 1964, Executive Order 11246 as amended, Title IX of the Education Amendments of 1972, Americans with Disabilities Act of 1990, and other federal laws and regulations, does not discriminate on the basis of race, color, national origin, gender, age, religion, disability, or status as a veteran in any of its policies, practices or procedures. This includes but is not limited to admissions, employment, financial aid, and educational services.

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, Robert E. Whitson, Director of Oklahoma Cooperative Extension Service, Oklahoma State University, Stillwater, Oklahoma. This publication is printed and issued by Oklahoma State University as authorized by the Vice President, Dean, and Director of the Division of Agricultural Sciences and Natural Resources and has been prepared and distributed at a cost of 64 cents per copy.
