FY 2012 S.T.O.P. Violence Against Women Grant Awards

The purpose of the S.T.O.P. Violence Against Women Grant is to encourage law enforcement, prosecution, and the courts to develop and implement effective victim-centered strategies to address violent crimes against women. In addition, the S.T.O.P. VAWA Program promotes the development and/or enhancement of victim services for intervention with victims of violent crimes. A requirement of the grant is that 30% of the funds must go for victims' services. In addition, ten percent (10%) of the 30% of the victim service funds must go to a culturally specific community based program. Twenty-five (25%) must go to law enforcement, 25% for prosecution, 5% for the courts and 15% is discretionary. In Oklahoma, these funds are generally awarded to programs that have a statewide impact.
