FY 2014 National Criminal History Improvement Project (NCHIP) Grant Award

The purpose of the National Criminal History Improvement Grant is to assist states in meeting various evolving federal and state requirements regarding criminal history and related records.

In 2014, the State of Oklahoma received \$422,328.50. The Oklahoma State Bureau of Investigation, Beaver County, Coal County, Johnston County, Love County, Murray County, Nowata County, and Tillman County received eight (8) of the few federal awards because the projects focus on the exchange of data between law enforcement and the Courts.

Criminal History Data and Retention Recovery

<i>Award Recipient</i>	<i>Location</i>	<i>Amount Awarded</i>
Oklahoma State Bureau of Investigation	Oklahoma City	\$249,866.00
<i>Grant funds will be used to provide correction and entry of Oklahoma County case dispositions for fingerprint-based arrest events found in the state repository for criminal history record information.</i>		

Livescan Projects

<i>Award Recipient</i>	<i>Location</i>	<i>Amount Awarded</i>
Beaver County	Beaver	\$24,637.50
<i>Grant funds will be used to purchase a Livescan device in order to report fingerprint and arrest data electronically to OSBI. The accuracy of providing instant identification of offenders, offender criminal history as well as wants and warrants of individuals who are being fingerprinted is imperative. In addition to capturing and electronically submitting fingerprint information, the Livescan device also has the capabilities to capture both palm prints and mug shots.</i>		

Award Recipient	Location	Amount Awarded
Coal County	Colgate	\$24,637.50
<i>Grant funds will be used to purchase a Livescan device in order to report fingerprint and arrest data electronically to OSBI. The accuracy of providing instant identification of offenders, offender criminal history as well as wants and warrants of individuals who are being fingerprinted is imperative. In addition to capturing and electronically submitting fingerprint information, the Livescan device also has the capabilities to capture both palm prints and mug shots.</i>		
Johnston County	Tishomingo	\$24,637.50
<i>Grant funds will be used to purchase a Livescan device in order to report fingerprint and arrest data electronically to OSBI. The accuracy of providing instant identification of offenders, offender criminal history as well as wants and warrants of individuals who are being fingerprinted is imperative. In addition to capturing and electronically submitting fingerprint information, the Livescan device also has the capabilities to capture both palm prints and mug shots.</i>		
Love County	Marietta	\$24,637.50
<i>Grant funds will be used to purchase a Livescan device in order to report fingerprint and arrest data electronically to OSBI. The accuracy of providing instant identification of offenders, offender criminal history as well as wants and warrants of individuals who are being fingerprinted is imperative. In addition to capturing and electronically submitting fingerprint information, the Livescan device also has the capabilities to capture both palm prints and mug shots.</i>		
Murray County	Sulphur	\$24,637.50
<i>Grant funds will be used to purchase a Livescan device in order to report fingerprint and arrest data electronically to OSBI. The accuracy of providing instant identification of offenders, offender criminal history as well as wants and warrants of individuals who are being fingerprinted is imperative. In addition to capturing and electronically submitting fingerprint information, the Livescan device also has the capabilities to capture both palm prints and mug shots.</i>		
Nowata County	Nowata	\$24,637.50
