resources and financial

assistance to crime victims

and the organizations who

serve them.

The Honorable Mary Fallin, Governor The Honorable Todd Lamb, Lieutenant Governor The Honorable Brian Bingman, Senate Pro Tempore The Honorable Jeff W. Hickman, Speaker of the House

### Greetings!

Oklahoma is balancing the scales of justice by assisting crime victims with financial assistance and direct services. In this report you will see how much need there truly is within our communities.

The Victim Services Division of the District Attorneys Council oversees Crime Victims' Compensation Program. In addition to compensating victims for crime-related expenses, the victims division also reimburses SANE nurses for sexual assault medical forensic exams, and awards grants to agencies that perform direct services to victims of violent crime. The work done by the victim services division staff is meant to provide meaningful, transformative results for victims of crime and those who serve them. These services assist crime victims and their families in their darkest hour and help them rebuild their lives and start the long road to recovery.

With this said, the Board wishes to express their sincere gratitude to all who make this program a success. Together we will continue to make a difference in the lives of crime victims.

It is an honor to present this 2013 Annual Report to you.

Respectfully,

Oklahoma Crime Victims' Compensation Board

## WHO WE ARE AND HOW WE HELP

**The Crime Victims' Compensation Program** is administered by the District Attorneys Council and is dedicated to ensuring that financial assistance is available to eligible violent crime victims for crime-related expenses that cannot be reimbursed by insurance or other sources.

**The Crime Victims' Compensation Program** is the "payor of last resort" after primary sources of payment such as health insurance, Medicaid, Medicare, Indian Health Services, auto insurance etc.

#### To be eligible a person must:

- Report the crime to law enforcement within 72 hours of crime or disclosure to a responsible party if a minor.
- File a claim within one year of date of incident, death or disclosure to a responsible party. The one year deadline may be waived up to two years. If the crime was child sexual assault, the Board can waive all filing deadlines.
- Fully cooperate with law enforcement.
- Not be with the offender or accomplice.
- Have out-of-pocket expenses relating back to the crime.

#### To qualify a person must:

- Be an innocent victim of a violent crime who suffers physical or psychological harm or death.
- Be a dependent of a deceased victim.
- Have authority to act on behalf of a victim or dependent.

#### **Benefits:**

Maximum award is \$20,000.00. Crimes *with* work loss or loss of support can be awarded up to \$40,000.00.

#### Benefits may be awarded for:

- Medical care
- Dental care
- Prescription medicine
- Counseling, physical therapy, rehabilitation
- Work loss
- Loss of income in homicide cases
- Caregiver work loss
- Crime scene clean-up
- Funeral and burial expense
- Impound fees

### WHERE WE GET THE MONEY

## \$7,234,465.36 deposited into Fund in FY 13.

The premise of the Fund has always been that crime victims in this state should be awarded financial assistance with certain expenses related to crime. Based on the concepts of fairness and justice, and bolstered by the strong belief that criminals should be held responsible for their actions the Oklahoma Crime Victims' Compensation Fund is primarily supported through fines paid by persons pleading guilty or convicted of crimes at the District and Federal Court level. There are no tax dollars used to fund payments to victims.

#### **STATE COURTS**

*\$4,574,314.01* was deposited in the Fund from judges assessing the following court costs:

\$30 - \$300	Misdemeanor
\$50 - \$10,000	Felony (Criminal Injurious Conduct)
\$45 - \$1000	Felony (Non-Injurious Conduct)
\$35	Crimes involving violence/threat of violence/sexual assault (Municipal)
\$25	Driving Under the Influence (Municipal)
Deferred Judgment	Felony/Misdemeanor ranges
Deferred Prosecution	Felony/Misdemeanor ranges
Juvenile Adjudication	May award up to \$2,000

#### FEDERAL COURTS

\$1,668,444.34 was deposited in the Fund through the national Victims of Crime Act (VOCA), which allows the collection of fines, fees and assessments from federal offenses. Passed in 1984, VOCA has awarded grants to the Oklahoma Crime Victims Compensation Fund since 1986. These grants are based on a formula that gives each state 60 percent of the state funds paid to victims in the previous year.

#### RESTITUTION

Fees received through restitution accounted for *\$251,423.10* of our annual funding. A defendant may be ordered to reimburse the Fund for monies paid on behalf of his or her victim. The Division provides local prosecutors with information on the amount of money the Fund has already paid on behalf of a victim so that the amount owed to the Fund can be determined. Restitution paid by parolees to victims who cannot be located is another source of revenue. If the money remains unclaimed after three years, it is deposited in the Crime Victims' Compensation Fund. If any of the victims are later located, restitution is paid directly from the Fund.

#### **INMATE FEES AND INTEREST**

If an inmate earns wages while incarcerated, five percent of those earnings are deposited into the Fund. Inmates having savings accounts while incarcerated are required to pay 20 percent of interest earned to the Fund. *\$186,836.79* was deposited to the Fund in FY 2013 from Inmate wages and Interest. The fund also collects interest on the balance in the overall fund. This year alone, interest earned was \$116,883.16.

#### **OTHER SOURCES OF REVENUE**

Donations totaled *\$100.00* and subrogation totaled *\$428,611.24* in FY 13. Both are other sources of revenue for the Fund. When a crime victim is awarded money in a civil suit against the criminal, the Crime Victims' Compensation Fund has a lien of subrogation in an amount equal to the amount paid by the Fund. Similarly, if other collateral sources such as insurance or Medicaid pay service providers for expenses paid by the program, those service providers are obligated to return the overpayment to the Fund. Deferred Prosecution Agreements netted the program *\$99.00*.
