

# TRIBAL FORENSIC HEALTHCARE TRAINING PROJECT

[www.tribalforensichealthcare.org](http://www.tribalforensichealthcare.org)

## Sexual Assault Examiner Trainings

Registered nurses, advanced practice nurses, physicians, and physician assistants are invited to attend this five-day, classroom-based sexual assault examiner (SAE) training. Participants will learn the elements of conducting comprehensive adult/adolescent medical forensic examinations in cases involving sexual assault. This 40 hour classroom-based course will cover topics including:

- Trauma Informed Care
- Dynamics of Adult/Adolescent Sexual Assault
- The Medical Forensic Evaluation
- Medical Management
- Program/Operational Issues
- Patient-Centered Coordinated Team Approach
- The Justice System and Testimony
- Vicarious Trauma and Self Care

Registration is free to health care providers from IHS, Tribal, and Urban Indian health care facilities. Health care providers from referral facilities that serve American Indian or Alaska Native victims of sexual assault are also eligible to attend at no cost. Materials will be provided. Meals are not provided.

To register or get more information, please visit [www.tribalforensichealthcare.org](http://www.tribalforensichealthcare.org)

## Sexual Assault Examiner Clinical Skills Trainings

Registered nurses, advanced practice nurses, physicians, and physician assistants are invited to attend this two day, hands-on clinical skills training. Participants will develop and enhance their clinical practice skills in the care of adult victims of sexual assault. This training will simulate the patient care setting and include hands-on activities, such as forensic photography of genital and non-genital trauma and mock patient assessments. Participants will have the opportunity to attain or maintain specific skills such as performing detailed oral and ano-genital assessments, speculum examination techniques, proper evidence collection, integrity, and maintaining chain of custody under the guidance of experienced preceptors.

Registration is free to health care providers from IHS, Tribal, and Urban Indian health care facilities. Health care providers from referral facilities that serve American Indian or Alaska Native victims of sexual assault are also eligible to attend at no cost. Registrants MUST have previously completed a 40-hour Sexual Assault Examiner course. In some instances, this requirement may be waived upon request. Meals will not be provided.

To register or get more information, please visit [www.tribalforensichealthcare.org](http://www.tribalforensichealthcare.org)
