Hyperlinks to important federal laws can be found throughout this document. This document should be signed by the Authorizing Official, Project Director and Financial Officer listed on the VOCA Grant. In addition, this document should be shared with VOCA grant-funded staff.

1. Requirements of the award, remedies for non-compliance or for materially false statements

The subrecipient at any tier agrees to comply with applicable portions of the Victims of Crime Act (VOCA) of 1984, [34 U.S.C., Chapter 201](#) and the [Victims of Crime Act Victim Assistance Program Rule](#).

The certified assurances of this subaward are material requirements of the subaward. Compliance with any certified assurance submitted by or on behalf of the subrecipient that relates to conduct during the period of performance also is a material requirement of this subaward.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the subrecipient, the authorized official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized subrecipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these subaward requirements (certified assurances) -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the subaward period -- may result in the District Attorneys Council ("DAC") and/or Office of Justice Programs ("OJP") taking appropriate action with respect to the subrecipient and the subaward. Among other things, the DAC or OJP may withhold award funds, disallow costs, or suspend or terminate the subaward. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government or the DAC related to this subaward (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under [18 U.S.C. 1001](#) and/or [1621](#), and/or [34 U.S.C. 10272](#), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under [31 U.S.C. 3729-3730](#) and [3801-3812](#)).

Should any provision of a requirement of this subaward be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable; such provision shall be deemed severable from this subaward.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in [2 C.F.R. Part 200](#), as adopted and supplemented by DOJ in [2 C.F.R. Part 2800](#) (together, the “[Part 200 Uniform Requirements](#)”) apply to this FY 2020 award from OJP and all subawards.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the [Part 200 Uniform Requirements](#) as they relate to OJP awards and subawards (“subgrants”), see the OJP website: <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the subaward that the subrecipient at any tier must retain is 6 ½ years from the date of submission of the subrecipient’s final quarterly report. During such time, the subrecipient must provide access, including performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at [2 C.F.R. 200.333](#).

In the event a subaward-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the [Part 200 Uniform Requirements](#), the subrecipient is to contact DAC promptly for clarification.

The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in these certified assurances to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in the subaward certified assurances, references set out in material incorporated by reference through the subaward certified assurances, and references set out in other subaward requirements and documents, including the [Victims of Crime Act \(VOCA\) Financial & Administrative Guide](#) produced by the DAC.

4. *Rules of construction*

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

31. Determination of suitability to interact with participating minors

The VOCA subrecipient, subrecipient contractors, subcontractors and consultants providing services to minors must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

This certified assurance requires that subrecipients prepare *determinations of suitability* to interact with minors in advance of any individual being permitted to interact with minors as part of the VOCA-funded program. In order to aid the subrecipient programs in complying with this certified assurance, the DAC will provide a *Determination of Suitability to Interact with Minors* form that can be uploaded with each VOCA grant.

The details of this requirement are summarized below and are posted on the OJP web site at:

<https://ojp.gov/funding/Explore/Interact-Minors.htm>

1. *Advance determination regarding suitability.* The subrecipient may not permit any covered individual to interact with any minor receiving services in the VOCA-funded program unless the subrecipient first has made a written determination of the suitability of that individual to interact with minors.
2. *Updates and reexaminations.* a) The subrecipient must, at least every five years, update the criminal background searches and reexamine the covered individual's suitability determination in light of those search results, and, if appropriate, modify or withdraw that determination.
3. *Definitions –* a) "Covered individual" means any individual (other than a participating minor or a client of the subrecipient who is expected, or reasonably likely, to interact with any participating minor, other than the individual's own minor children). A covered individual need not have any particular employment status or legal relationship with the subrecipient. Such an individual might be an employee of a subrecipient, but also might be a consultant, contractor, employee of a contractor, trainee, volunteer or teacher. b) "Participating minor" means all individuals under 18 years of age receiving services under the VOCA-funded project. c) "Interaction" includes physical contact, oral and written communication, and the transmission of images and sound, and may be in person or by electronic (or similar) means. Interaction does not include brief, unexpected and unintentional contact and those contacts where there is another adult present, pursuant to written policies and procedures of the subrecipient, that are designed to ensure that -- throughout the contact -- an appropriate adult who has been determined to be suitable pursuant to this condition will closely and personally accompany, and remain continuously within view and earshot of, the covered individual. d) "Activities under the award" mean activities carried out under the VOCA award, using VOCA funds, matching funds or program income. Activities also include actions taken by an entity or individual pursuant to a procurement contract under the subaward at any tier. e) "Current and appropriate information" means, in addition to information resulting from checks or screening required by applicable federal, state, tribal, or local law, and/or by the subrecipient's own written policies and procedures, current and appropriate information includes the results of all required searches listed below, each of which must be completed no earlier than six months before the determination regarding suitability.

(1) Public sex offender and child abuse websites/registries. A search (by current name, and, if applicable, by previous name(s) or aliases), of the pertinent and reasonably-accessible federal, state, and (if applicable) local and tribal sex offender and child abuse websites/public registries, including-- (a) the National Sex Offender Public Website (www.nsopw.gov); (b) the website/public registry for each state (and/or tribe, if applicable) in which the individual lives, works, or goes to school, or has lived, worked, or gone to school at any time during the past five years; and (c) the website/public registry for each state (and/or tribe, if applicable) in which the individual is expected to,

or reasonably likely to, interact with a participating minor in the course of activities under the award.

(2) Criminal history registries and similar repositories of criminal history records. For each individual at least 18 years of age who is a covered individual under this FY 2020 award, a fingerprint search (or, if the recipient or subrecipient documents that a fingerprint search is not legally available, a name-based search, using current and, if applicable, previous names and aliases) -- encompassing at least the time period beginning five calendar years preceding the date of the search request -- of pertinent state (and, if applicable, local and tribal) criminal history registries or similar repositories, including--a) the criminal history registry for each state in which the individual lives, works, or goes to school, or has lived, worked, or gone to school at any time during the past five years; and b) the criminal history registry for each state in which he or she is expected to, or reasonably likely to, interact with a participating minor in the course of activities under the award.

4. *Factors and considerations in determinations regarding suitability* - In addition to the factors and considerations that must or may be considered under applicable federal, state, tribal, or local law, and under the subrecipient's written policies and procedures, in making a determination regarding suitability, the subrecipient must consider the results of all required searches listed below, each of which must be completed no earlier than six months before the determination regarding suitability.

In particular (unless applicable law precludes it), with respect to either an initial determination of suitability or a subsequent reexamination, the subrecipient may not determine that a covered individual is suitable to interact with participating minors in the course of activities under the award if the covered individual--

- a. Withholds consent to a criminal history search required by this condition;
- b. Knowingly makes (or made) a false statement that affects, or is intended to affect, any search required by this condition;
- c. Is listed as a registered sex offender on the National Sex Offender Public Website;
- d. To the knowledge of the subrecipient, has been convicted -- whether as a felony or misdemeanor -- under federal, state, tribal, or local law of any of the following crimes (or any substantially equivalent criminal offense, regardless of the specific words by which it may be identified in law):
 - (1) sexual or physical abuse, neglect, or endangerment of an individual under the age of 18 at the time of the offense;
 - (2) rape/sexual assault, including conspiracy to commit rape/sexual assault;

- (3) sexual exploitation, such as through child pornography or sex trafficking;
- (4) kidnapping;
- (5) voyeurism; or

e. Is determined by a federal, state, tribal, or local government agency not to be suitable.

5. *Administration; rule of construction:* a) The requirements of this condition will be monitored by the DAC; b) The subrecipient is to contact the DAC with any questions regarding the requirements of this condition and must not allow a covered individual to interact with a participating minor until such questions are answered; c) DAC may allow awarded funds to be used, in part, for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition, provided that such funds would not supplant non-federal funds that would otherwise be available for such costs; d) nothing in this certified assurance shall be understood to authorize or require any subrecipient at any tier, or any person or other entity, to violate any federal, state, tribal, or local law, including any applicable civil rights or nondiscrimination law.

6. *Written policies and procedures:* Subrecipients are required to prepare written policies and procedures pertaining to this certified assurance and upload those written policies and procedures into OKGrants prior to October 31, 2020. The procedures should identify the sources of information the subrecipient organization intends to use to support the determination of suitability to interact with minors (one example would be the National Sex Offender Registry).

7. *Advising covered individuals:* All employees, volunteers, contractors and consultants who are deemed to be a covered individual, should be properly advised of this new certified assurance and the need for a determination of suitability by the subrecipient organization. This may require subrecipient organizations develop a form to be completed by covered individuals that would ask certain questions necessary to aid the subrecipient in making the determination of suitability. At a minimum, the notice should request names and aliases used by the covered person in the immediate 5 years prior to the request, and all cities and states the covered individual has lived, worked or gone to school in the 5 years prior to the request.

8) *Determination of suitability to interact with participating minors form:* This form will be provided by the DAC and should be uploaded in OKGrants annually. The form should list all covered individuals deemed suitable to interact with participating minors, the date the covered individual(s) received the designation of suitability by the subrecipient organization, when the next review will be initiated, and the screening(s) performed. This determination must be made every five years for each covered individual. Those individuals deemed not suitable to provide services to minors should not be listed on the form and should not be permitted to interact with participating minors under the VOCA award contract.

9) *Grant Adjustment Notice for compliance with this certified assurance:* Subrecipients may be permitted to do a grant adjustment notice (GAN) to move funds into the “Other” category, if necessary, to fulfill the requirements of this certified assurance provided the use of federal funds would not supplant existing funds the subrecipient has for the same purpose.

With my/our signature(s) below, I/we acknowledge acceptance of these certified assurances and certify compliance with all applicable Federal statutes, regulations, policies, guidelines, and requirements of the VOCA subaward.
