

2022 JUSTICE ASSISTANCE GRANT LOCAL LAW ENFORCEMENT (JAG-LLE) PROGRAM NOTICE OF AVAILABILITY OF FUNDS

Applicants who wish to apply for equipment under the Justice Assistance Grant – Local Law Enforcement (JAG-LLE) Program need to read the ENTIRE document.

AVAILABILITY OF FUNDS

The District Attorneys Council, in conjunction with the Justice Assistance Grant Board, announces **\$372,445.00** is available for eligible local law enforcement jurisdictions to apply for funding. The maximum award amount is \$10,000.00.

ELIGIBLE APPLICANTS

To apply for a JAG-LLE award through the District Attorneys Council, a jurisdiction **must**: 1) be ineligible for a direct JAG grant with the Bureau of Justice Assistance (BJA), and 2) must submit crime report information. Oklahoma State Statute # 74 O.S. Chapter 5 § 150.10 requires all state, county, city and town law enforcement agencies to submit crime reports to the Oklahoma State Bureau of Investigation. To review this statute, go to: <http://www.oscn.net/applications/oscn/DeliverDocument.asp?CiteID=101436>.

For more information on reporting crime reports, contact the OSBI Field Services at 405-878-2533.

If a jurisdiction is ineligible to apply directly to BJA, and is submitting crime reports to OSBI, that jurisdiction is eligible to apply for a JAG-LLE award through the District Attorneys Council.

Police departments and sheriffs' offices must apply through their county commission or city council. Private/nonprofit organizations, campus security departments, jails, and state agencies are NOT eligible to apply for this funding.

APPLICANT REQUIREMENTS – Unique Entity Identifier (UEI)

The new Unique Entity Identifier is now the primary means of identifying agencies registered for federal awards with the System for Award Management (SAM). DUNS numbers will no longer be utilized. Federal guidelines require all applicants to be registered on the **FREE** System for Award Management (SAM). The SAM database is the repository for standard information about applicants, recipients, and subrecipients of federal financial assistance. **Please make sure your SAM registration allows for public search.** For more information or to register with SAM, go to <https://www.sam.gov>. To find your UEI on the SAM website, please consult the instructions here: https://www.fsd.gov/qsafsd_sp?id=kb_article_view&spa=1&sys_kb_id=a05adbae1b59f8982fe5ed7ae54bcbba&sysparm_article=KB0041254&utm_campaign=fundingtips&utm_medium=email&utm_source=govdeliver Y.

BOARD PRIORITIES

The JAG Board, comprised of 17 voting and non-voting members, is charged with determining priorities for funding, reviewing grant proposals, and determining awards for the grant funds. The board has limited applications to procuring equipment approved by the Department of Justice. The maximum award amount is \$10,000.

Approved equipment includes, but is not limited to:

Riot Batons, Riot Helmets, and Riot Shields

The following items have **additional requirements** for approval.

- Body worn cameras* (see additional requirements below)
- In-car mobile data systems (laptop or tablet)** (see additional requirements below)
- Radios – in-car and handheld/portable*** (see additional requirements below)
- Vehicles – up to a max of \$10,000**** (see additional requirements below)
- Ballistic-resistant officer protection equipment, limited to daily wear ballistic vests***** (see additional requirements below)

Equipment can only be awarded to **full-time** law officers.

Priority may be given to those who have not received significant funding in the past five years from this grant program.

***REQUESTS FOR BODY WORN CAMERAS**

According to the Bureau of Justice Assistance (BJA), law enforcement agencies across the country have begun equipping their officers with body-worn cameras (BWCs) over the past several years. The important benefits of BWCs and the challenges in implementing BWC programs are highlighted in the BJA Body Worn Camera Toolkit.

The BJA provides model BWC policies, resources, and best practices to assist departments in implementing BWC programs. Please go to the following link to learn more: <https://www.bja.gov/bwcl/>.

Applicants using JAG funds to purchase BWC equipment or to implement or enhance BWC programs must certify that they have policies and procedures in place related to equipment usage, data storage, privacy, victims, access, disclosure, training, etc. Officers, prosecutors, defenders, victims and privacy advocates, and community groups should be consulted early in the BWC policy development process to guide and inform policy and procurement decisions. **The body-worn camera policy certification must be attached to the submitted application.**

****REQUESTS FOR IN-CAR MOBILE DATA TERMINAL SYSTEMS**

Requests for in-car mobile data terminal systems (MDTs) should include a quote designating the mobile data system, mounting hardware, docking station, mode of IP connectivity, and computer that ensures that the equipment is designed for use in a vehicle to withstand use in a harsh environment. Requests must specify a semi-ruggedized or ruggedized laptop or tablet.

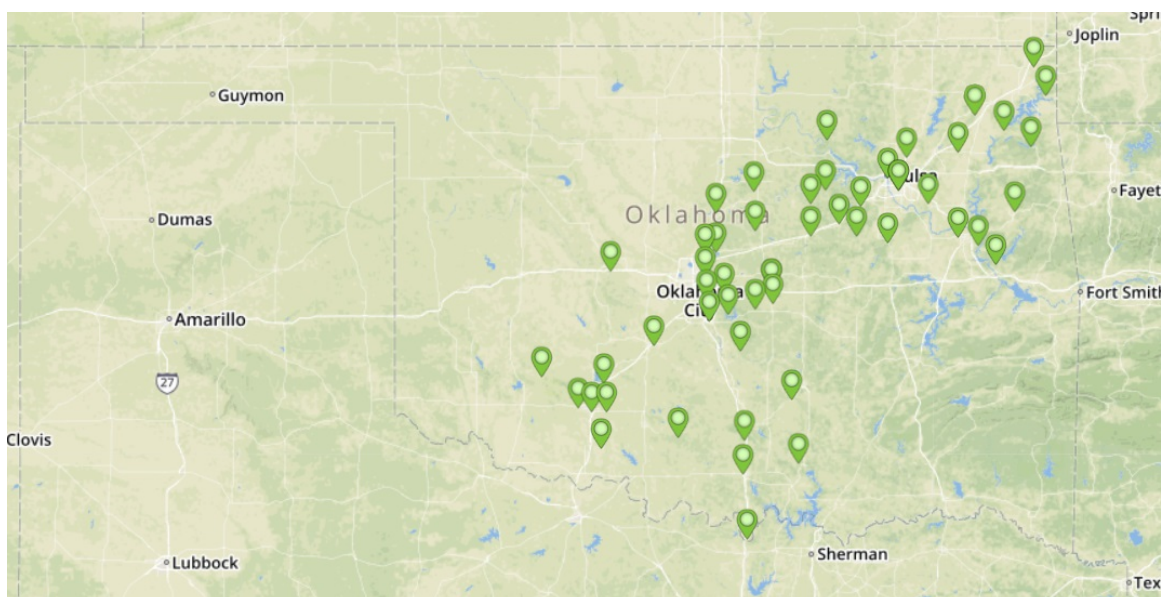

In order to receive this funding, the applicant must specify the software system (such as MobileCop) which allows law enforcement agencies to access vehicle tag and driver's license files and allows for seamless messaging between individual law enforcement officers across the state, integration of law enforcement records including mugshot photos, and tools utilized by law enforcement officers in a mobile environment.

If you need information on MobileCop or for system access for an in-car laptop computer, contact Capt. David Baisden at 405-615-0242 or via email at sodavbai@oklahomacounty.org for information and guidance with your application.

*****REQUESTS FOR IN-CAR RADIOS and HANDHELD PORTABLE RADIOS**

For agencies located within the Oklahoma Wireless Information Network (OKWIN) coverage area, all requests made to the board by law enforcement agencies for radio communication equipment must be consistent and compatible with the OKWIN 800 MHz Trunked Radio System (see the coverage map below).

To determine if a jurisdiction is in the 800 MHz Trunked Radio Communication System coverage area, or for more information, visit <https://www.ok.gov/okwin>.

******REQUESTS FOR VEHICLES**

The JAG Board approved funding for the purchase of marked patrol vehicles only. **Other equipment for a vehicle, such as light bars, etc., may not be requested.** Agencies requesting vehicles that cost over the \$10,000 maximum limit of this grant must state in the narrative that the agency agrees to provide the balance of the cost of the vehicle as well as what funds will be used to pay for the remaining cost of the vehicle. Undercover or unmarked patrol vehicles are prohibited. If purchased unmarked, it must be marked at the earliest possible opportunity.

*******REQUESTS FOR BALLISTIC-RESISTANT OFFICER PROTECTION EQUIPMENT**

The JAG Board approved funding for ballistic-resistant officer protection equipment. This is limited to daily wear ballistic vests only. Any ballistic equipment purchased with JAG funds may be purchased at any threat level, make, or model from any distributor or manufacturer, as long as the vests have been tested and found to comply with the latest applicable National Institute of Justice (NIJ) ballistic or stab standards. **Law enforcement agencies receiving ballistic-resistant and stab-resistant body armor must have a written “mandatory wear” policy in effect, which must be uploaded to your application.** In addition, body armor purchased must be American made. Information on the NIJ standards can be found at <https://www.nij.gov/topics/technology/body-armor/Pages/welcome.aspx>.

Body armor purchased with JAG funds must be “uniquely fitted vests,” which means protective (ballistic or stab-resistant) armor vests that conform to the individual wearer to provide the best possible fit and coverage, through a combination of: (1) correctly sized panels and carrier, determined through appropriate measurement and (2) properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features. The requirement that body armor be “uniquely fitted” does not necessarily require body armor that is individually manufactured based on the measurements of an individual wearer.

MATCH REQUIREMENT

There is no match requirement for this grant.

REIMBURSEMENT OF FUNDS

In order to receive the funds, the subgrantee must order and pay for all approved equipment and submit all required close-out documents prior to receiving payment. **Upon receipt and approval of the close-out documents, reimbursement will be forwarded to the subgrantee in approximately one month.**

PERSONNEL REQUIREMENTS

The Oklahoma State Auditor and Inspector’s Office and the federal granting agency requires that there be sufficient internal controls within the applicant agency to reduce the risk for mismanagement, error, and/or fraud. No one person should control all aspects of procuring and payment of the requested equipment.

The Agency Administrator/Project Director is the contact person for all project activities and is responsible for meeting the goals and objectives of the award. The Financial Officer/Fiscal Officer is responsible for reporting the financial activity related to the award. The Agency Administrator/Project Director and Financial Officer/Fiscal Officer may **NOT** be the same person or have full corresponding access in OKGrants.

The Authorized Official/Chief Executive Officer is the person with official signature authority to make financial and programmatic commitments on behalf of the applicant agency. **The Authorized Official/Chief Executive Officer must be the mayor, city manager, chairperson of the County Commission, or an authorized tribal leader. The Authorized Official can NOT be the chief of police, city clerk, or sheriff.**

AWARD PERIOD

The award period for this grant is January 1, 2023, to June 30, 2023.
