Stalking Training

**NATIONAL STALKING
AWARENESS MONTH**

January 22, 2014
Great Plains Vo-Tech
4100 Lee Blvd, Worley Center
Room 300

**NATIONAL STALKING
AWARENESS MONTH**

Stalking- A dangerous and potential lethal crime-- is often misunderstood, minimized, or missed entirely. This Training will address the crime of stalking: prevalence, dynamics, the use of technology to stalk, and the effects on the victims, with focus on the intersection of stalking with domestic violence and sexual assault . Participants will be provided with concrete strategies for working with stalking victims, including threat assessment and safety planning.

AGENDA

- 8:00-8:45 Registration
- 8:45-9:00 Welcome and Introductions
- (10 Minute Break)
- 9:00-11:30 Stalking and the Intersections with Domestic and Sexual Violence
