DRUG FACILITATED SEXUAL ASSAULT FOR PROSECUTORS

JULY 10, 2007

OKLAHOMA STATE
BUREAU OF
INVESTIGATION

IN COOPERATION WITH

THE OKLAHOMA
DISTRICT
ATTORNEYS
COUNCIL

Agenda

Time	Topic
8:30-8:45	Welcome <i>Charlie Curtis, Division Director, Criminalistics</i>
8:45-9:30	Current drug trends in the Oklahoma City Metro Area <i>Tom Terhune, Special Projects Group – Narcotics / Major Violators, OCPD</i>

William T. (Tommy) Terhune is a Lieutenant in the Narcotics – Major Violators Unit of the Oklahoma City Police Department. He has 34 years of experience with the Department, to include over 20 years experience in narcotics investigation. He received his Associates Degree in Police Science from Oklahoma State University and his Bachelor of Liberal Studies Degree in Administrative Leadership from University of Oklahoma. He has testified as an expert witness in both federal and state courts on all facets of narcotic/drug investigations. He also serves Supervisor of the Clandestine Lab Investigative Unit and as a Supervisor/Operator on the Tactical Unit

9:30-10:15	Overview of Drug-Facilitated Crimes <i>Stacy Morey, Chief General Counsel, Legal</i> <i>J.D. Lindstrom, CODIS-John Doe Warrants, Criminalistics</i>
-------------------	---

Stacy Morey is the Chief Legal Counsel to the OSBI. She graduated from the University of Oklahoma with a Bachelor's degree in Public Relations in 1992 and her Juris Doctorate in 1995. Before her employment with the OSBI, she worked as the City Prosecutor for the City of Enid and as an Assistant District Attorney for the Oklahoma County D.A.'s Office where she served on both the gang related and violent crimes prosecution teams. Since joining the OSBI in 2000, she has become a recognized expert on expungement law and has authored an Oklahoma Bar Journal article on the subject. She has been honored with the OSBI Distinguished Service Award and Non-Commissioned Employee of the Year.

J.D. Lindstrom is the CODIS Supervisor for the CODIS

Unit within the Criminalistic Services Division of the Oklahoma State Bureau of Investigation. He also serves as the State CODIS Administrator and is responsible for the CODIS Database for State of Oklahoma. He has approximately 5 years of experience in the field of Forensic Biology. He received his Bachelor of Science degree in Biology from Northeastern State University and is currently pursuing his Master degree in Forensic Science Administration from Oklahoma State University. He is a former United States Marine, and has a passion for hunting. He is the husband of a beautiful wife, Anna, and father of two amazing children, Emma and Elijah.

10:15-10:30	Break
10:30-11:15	Medico legal Examination of the Sexual Assault <i>Shannon Liew, RN, SANE Coordinator</i>

Shannon Liew is currently the SANE Coordinator at the YWCA. She started the position in June 2006 and attended SANE training at the YWCA the same month. After starting to perform SANE exams in July 2006, she has completed over 60 SANE exams. Prior to working at the YWCA, Shannon was a staff RN at the emergency room at OU Medical Center from August 2005 – June 2006. Shannon has 4 years experience working for Planned Parenthood in both Chicago, IL and the Washington DC area. Shannon attended nursing school at Rush University College of Nursing in Chicago, IL from January 2004 – December 2004, earning a Bachelor of Science Degree in Nursing. She graduated Magna Cum Laude and is a Sigma Theta Tau International Honor Society of Nursing member. Shannon also has a Bachelor of Arts Degree in Biological Sciences from the University of Chicago, graduating in June 2001.

11:15-12:00	Drug-facilitated Sexual Assault/Toxicology <i>Matthew Stillwell, Forensic Toxicology, Criminalistics</i>
--------------------	---

Matthew E. Stillwell is a Senior Criminalist in the Forensic Toxicology Unit within the Criminalistic Services Division of the Oklahoma State Bureau of Investigation. He has 16 years of experience in the field of forensic toxicology. Subsequent to joining the Bureau he was a forensic chemist in the department of toxicology for the Office of the Chief Medical Examiner for the State of Oklahoma. He received his Bachelor of Science degree in Chemistry from Southwestern Oklahoma State University and his Master of Arts in Criminal Justice Management and Administration from the University of Central Oklahoma and currently pursuing his second Master degree in Forensic Toxicology. He has authored several peer-reviewed articles and given numerous scientific presentations in the field of forensic toxicology. He is a member of the International Association

of Forensic Toxicologists (TIAFT), the Society of Forensic Toxicologists (SOFT) where he serves on the drug-facilitated sexual assault (DFSA) committee and a member of the National Safety Council Committee on Alcohol and Other Drugs (NSC-CAOD). His current research interests include driving impairment & drug-facilitated sexual assault.

12:00-1:00	Lunch
1:00-1:45	DNA and its Applications to Sexual Assault <i>Ryan Porter, Biology, Criminalistics</i>

Ryan Porter is the Forensic Biology Supervisor for the Forensic Biology Unit within the Criminalistic Services Division of the Oklahoma State Bureau of Investigation. He has approximately 10 years of experience in the field of Forensic Biology. He received his Bachelor of Science degree in Forensic Science from the University of Central Oklahoma. Additionally, Mr. Porter serves in the Air National Guard where he has been deployed twice to Afghanistan for Operation Enduring Freedom. Mr. Porter is a member of the Association of Forensic DNA Analysts and Administrators (AFDAA) and the Southwest Association of Forensic Scientists (SWAFS).

1:45-2:00	Break
2:00-2:45	Prosecution of Alcohol-Facilitated Sexual Assault <i>Stacy Morey, Chief General Counsel, Legal</i>
2:45-3:00	Break
3:00-4:30	<i>Panel Discussion, Speakers</i>

After the workshop, attendees will be able to recognize the challenges with investigations of drug-facilitated crimes; will be able to identify common drugs used to facilitate these crimes, and will be more able to develop an approach for the successful prosecution of drug-facilitated crimes.

For Questions concerning this training, contact Program Coordinator Matt Stillwell at (405) 425-3829 or matts@osbi.state.ok.us.
