

The Stalking Resource Center of the National Center for Victims of Crime and East Central University presents an exciting training event:

The Use of Technology in Intimate Partner Stalking

March 11-13, 2014

East Central University's Chickasaw Business Conference Center,
830 East Main Street, Ada, Oklahoma

This 3 day conference will include topics on:

Dynamics of stalking
Intersection of stalking and other crimes
How stalkers manipulate technology
Risk of violence and lethality associated with stalking
Documenting technology misuse
Effective investigation strategies
Safety planning and advocacy with victims
Evidence collection
And more...

Who should attend this conference:

This conference is designed for law enforcement, victim service providers, attorneys, probation and parole officers, and other professionals working to end stalking in their community.

CEUs/POST credits will be available for Oklahoma professionals. Participants from other states seeking CEUs should contact the Stalking Resource Center.
