

Heels On For Her is a community awareness event that will raise money to support the Pottawatomie County & Lincoln County Coordinated Community Response Team. CCRT is comprised of Law Enforcement, District Attorney's Office, Department of Human Services, Mental Health Services, Victim Services and many other civic groups. The group hosts trainings and awareness events in support of domestic violence and sexual assault victims. Each participant will seek sponsors to donate money to see them wear high heels in a short race with other participants.
