

In Observance of 'National Crime

Victims Rights Week' 2012

'Honoring Victims of Crime'

Celebration Pow-wow

Saturday • April 28, 2012 • Carnegie, OK • Red Buffalo Hall

A dance to honor the lives of loved ones and the victims, survivors, and families they left behind. We have invited several guest speakers and encourage family members of any Tribe to come and speak on their experiences with the criminal justice system in Indian Country during this event. We will also have a 'Wall of Remembrance' for families that want to display photos, articles, or other memorabilia regarding their family member. We ask that you assemble these on a poster board for easy display & transport.
