I, _____ (Authorized Official), certify that criminal background checks have been performed on the above named individual(s) and the above named individual(s) associated with the JAG-funded project are designated as suitable to interact with participating minors within the JAG-funded project pursuant to the condition found at: <https://ojp.gov/funding/Explore/Interact-Minors.htm>.

Note: Criminal background checks should be checked for all aliases provided by the individual. In addition, criminal background checks should be done for all states in which the individual lived, worked or went to school the 5 years prior to the background check.

Those receiving background checks should receive written notification in order to give the individual the opportunity to provide the required information for the criminal background check, pursuant to the subgrantee's written policies and procedures.

I understand that criminal background checks are required every five years and individuals will not be found suitable to interact with minors in the course of activities under the JAG award if an individual:

- a) Withholds consent to a criminal history search required by this certified assurance;
- b) Knowingly makes (or made) a false statement that affects, or is intended to affect, any search required by this condition;
- c) Is listed as a registered sex offender on the National Sex Offender Public Website;
- d) To my knowledge, has been convicted whether as a felony or misdemeanor under federal, state, tribal or local law for any of the following crimes:
 - 1) Sexual or physical abuse, neglect, or endangerment of an individual under 18 at the time of the offense;
 - 2) Rape/sexual assault, including conspiracy to commit rape/sexual assault;
 - 3) Sexual exploitation, such as through child pornography or sex trafficking;
 - 4) Kidnapping;
 - 5) Voyeurism; or
 - 6) Is determined by a federal, state, tribal, or local government agency not to be suitable

Note: The DAC is required to monitor compliance with this grant condition.
