April 24 - 25, 2013

Envision Awards Luncheon

The National Indigenous Women's Resource Center

in collaboration with the WomenSpirit Coalition is pleased to present a Summit to address the needs of tribal programs in responding to reports of sexual assault. Expert facilitators will guide Tribal providers through a process designed to identify & examine gaps in services; improve response strategies; identify local jurisdiction, investigation, prosecution, and conviction issues; and plan effective, victim-centered responses.

The Summit is open to everyone (advocates, service providers, law enforcement, prosecutors, court personnel, tribal community members/allies) with priority to tribal programs in Washington State, Idaho, Oregon, Nevada & Alaska.
