Click on the blue links to open the hyperlink and read the corresponding federal law and/or grant requirements pertaining to each of the certified assurances. ### **1. Requirements of the award, remedies for non-compliance or for materially false statements**

The subrecipient at any tier agrees to comply with applicable portions of the Victims of Crime Act (VOCA) of 1984, [34 U.S.C., Chapter 201](#) and the [Victims of Crime Act Victim Assistance Program Rule](#).

The certified assurances of this subaward are material requirements of the subaward. Compliance with any certified assurance submitted by the subrecipient that relates to conduct during the period of performance also is a material requirement of this subaward.

Failure to comply with any one or more of these subaward requirements (certified assurances) -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the subaward period -- may result in the District Attorneys Council ("DAC") and/or Office of Justice Programs ("OJP") taking appropriate action with respect to the subrecipient and the subaward. Among other things, the DAC or OJP may withhold award funds, disallow costs, or suspend or terminate the subaward. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government or the DAC related to this subaward (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under [18 U.S.C. 1001](#) and/or [1621](#), and/or [34 U.S.C. 10272](#)), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under [31 U.S.C. 3729-3730](#) and [3801-3812](#)).

Should any provision of a requirement of this subaward be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable; such provision shall be deemed severable from this subaward.

## **2. Applicability of Part 200 Uniform Requirements**

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in [2 C.F.R. Part 200](#), as adopted and supplemented by DOJ in [2 C.F.R. Part 2800](#) (together, the “[Part 200 Uniform Requirements](#)”) apply to this FY 2018 award from OJP and all subawards.

For more information and resources on the [Part 200 Uniform Requirements](#) as they relate to OJP awards and subawards (“subgrants”), see the OJP website: <https://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event a subaward-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the [Part 200 Uniform Requirements](#), the subrecipient is to contact DAC promptly for clarification.

## **3. Compliance with the DOJ Grants Financial Guide**

## **4. Reclassification of various statutory provisions to a new Title 34 of the United States Code**

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

NEW

Effective as of September 1, 2017, any reference in these certified assurances to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in the subaward certified assurances, references set out in material incorporated by reference through the subaward certified assurances, and

references set out in other subaward requirements and documents, including the [Victims of Crime Act \(VOCA\) Financial & Administrative Guide](#) produced by the DAC.

The “de minimis” rate may be applied only to modified total direct costs (MTDC) as defined by the [Part 200 Uniform Requirements](#).

#### **6. Requirement to report potentially duplicative funding**

If the subrecipient at any tier currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this subaward, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this subaward. If so, the recipient must promptly notify the DAC in writing of the potential duplication, and, if so requested by the DAC, must seek a grant adjustment or change in goals and objectives to eliminate any inappropriate duplication of funding.

See [18 U.S.C. 1913](#). There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.

Another federal law generally prohibits this federal subaward from being used by the subrecipient at any tier to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subaward “subgrant”, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See [31 U.S.C. 1352](#). Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any questions arise as to whether a particular use of federal funds by a subrecipient would or might fall within the scope of these prohibitions; the subrecipient is to contact DAC for guidance. The subrecipient may not proceed without the express prior written approval of DAC.

**19. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2018)**

The subrecipient at any tier must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various “general provisions” in the Consolidated Appropriations Act, 2018, are set out at <https://ojp.gov/funding/Explore/FY18AppropriationsRestrictions.htm>, and are incorporated by reference here.

Below are restrictions applicable to all federal funds awarded by OJP in FY 2018. Should a question arise as to whether a particular use of federal funds by a subrecipient would or might fall within the scope of an appropriations-law restriction, the subrecipient is to contact DAC for guidance, and may not proceed without the express prior written approval of DAC.

*Restrictions applicable to ALL federal funds awarded by OJP in FY 2018.* Federal funds are not legally available, and may not be used (whether directly or indirectly, including by private contractors), for: 1) publicity or propaganda purposes not authorized by the Congress; and 2) any employee training that does not meet: a) identified needs for knowledge, skills, and abilities bearing directly upon the performance of official duties; b) contains elements likely to induce high levels of emotional response or psychological stress in some participants; c) does not require prior employee notification of the content and methods to be used in the training and written end-of-course evaluation; d) contains any methods or content associated with religious or quasi-religious belief systems or “new age” belief systems as defined in Equal Employment Opportunity Commission Notice N-915.022, dated September 2, 1988; or e) is offensive to, or designed to change, participants’ personal values or lifestyle outside the workplace.

Nothing in this provision prohibits, restricts, or otherwise precludes a subrecipient from conducting training bearing directly upon the performance of official duties.

*Nondisclosure policies, forms, and agreements.* Federal funds are not legally available, and may not be used, to implement or enforce any nondisclosure policy, form, or agreement; if such policy, form, or agreement does not contain the following provision:

"These provisions are consistent with and do not supersede, conflict with, or otherwise alter the employee obligations, rights, or liabilities created by existing [federal] statute or Executive order relating to: (1) classified information; (2) communications to Congress; (3) the reporting to an Inspector General of a violation of any law, rule, or regulation, or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety; or (4) any other whistleblower protection. The definitions, requirements, obligations, rights, sanctions, and liabilities created by controlling Executive orders and [federal] statutory provisions are incorporated into this agreement and are controlling."

Notwithstanding the above provision, a nondisclosure policy, form, or agreement that is to be executed by a person connected with the conduct of an intelligence or intelligence-related activity, other than an employee or officer of the United States Government, may contain provisions appropriate to the particular activity for which such document is to be used. Such form or agreement shall, at a minimum, require that the person will not disclose any classified information received in the course of such activity, unless specifically authorized to do so by the United States Government. Such nondisclosure forms shall also make it clear that they do not bar disclosures to Congress, or to an authorized official of an executive agency or the United States Department of Justice, that are essential to reporting a substantial violation of law.

*Certain exceptions.* Under certain circumstances, a nondisclosure agreement that does not contain the provisions set out above nevertheless may continue to be implemented and enforced. Should a question arise as to whether an exception to the general rule may be available for a particular nondisclosure agreement, the recipient is to contact DAC for guidance, and the recipient may not use federal funds to implement, continue to implement, or enforce the nondisclosure agreement without the express prior written approval of OJP.

*ACORN and related organizations.* Absent express prior written approval from OJP, federal funds may not be provided to the Association of Community Organizations for Reform Now (ACORN), or any of its affiliates, subsidiaries, allied organizations, or successors.

*Restrictions applicable only to certain federal funds under OJP awards made in FY 2018.*

Federal funds are not legally available, and may not be used: 1) in programs involving students to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or those of their parents or legal guardians; 2) to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography (nothing in this provision limits the use of funds necessary for any federal, State, tribal, or local law enforcement agency or any

other entity carrying out criminal investigations, prosecution, adjudication, or other law enforcement- or victim assistance-related activity); 3) to pay award or incentive fees for contractor performance that has been judged to be below satisfactory performance or for performance that does not meet the basic requirements of a contract; and 4) to pay for an abortion, except where the life of the mother would be endangered if the fetus were carried to term, or in the case of rape or incest; or to require any person to perform, or facilitate in any way the performance of, any abortion.

**20. Reporting potential fraud, waste, abuse, and similar misconduct**

The subrecipient at any tier must promptly refer to DAC, and the Department of Justice (DOJ), [Office of the Inspector General \(OIG\)](#), any credible evidence that a principal, employee, agent, contractor, subcontractor, or other person has, in connection with funds under this subaward - 1) submitted a claim that violates the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this subaward should be reported 1) by mail to:

    - (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
  - b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of subaward funds to or by that entity, will provide prompt written notification to DAC and OVC, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by DAC and OVC.

related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

[See 28 C.F.R.
