

Special Needs and Disability Investigation Training

Wednesday April 29th 2015
Pittsburg County Health Department
1400 College Ave
McAlester, Oklahoma 74501

Workshop Time: 9:30am-1:30pm

The four hour workshop aims to increase Multidisciplinary Team Members knowledge of what to look for and who to call for additional support while investigating a child who has significant disabilities or extensive special needs. This workshop will address identifying the medical aspects of child's health from the perspective of a consulting physician. Examples of forensic interviews of children with special needs and disabilities will be addressed as well.

Presenters:

- OCCY Commissioner Wanda Felty, Community Leadership and Advocacy Coordinator and Parent
- Dr. Mary Stockett- Pediatrician, Sub-Board Specialty in Child Maltreatment
- Andi Grosvald-Hamilton-LCSW
