Dub Ross has found a mistake in their pricing and therefore has reduced the price of three items on their contract, #2012

Line items 12, 13, and 14 were priced wrong on the original contract document. Instead of \$58.04 per square foot, the price is actually \$9.67 per square foot, with the total cost of the blade being \$58.04 each for line item #12, \$67.71 each for line item #13 and \$77.38 each for line item #14 and \$87.06 each for line item #15.

The rest of the contract remains the same.
