G. OTHER

None

H. PRICE AND COST

The State of Oklahoma is requesting pricing for Agriculture, Trees, and Brush Maintenance Equipment. The pricing matrix is a percentage off the Manufacturer's list price. Vendors can submit actual pricing schedules for their equipment though, with the percentage discount already figured, as long as the discount is clearly stated as well as the pricing minus the discount. Also, please provide the current manufacturer's price list used as a basis for the pricing schedules if you submit pricing with the discount already figured in. Attachments have been provided in Microsoft Word and Adobe PDF.

The State of Oklahoma has been a leader in the push for State use of CNG-powered vehicles. If you have products that are fueled by means other than gas or diesel fuel, and that are considered environmentally friendly, please include them in your response.

Manufacturers responding please include a listing of Distributors/Dealers for the State of Oklahoma to include Name of business, Address, contact names, phone numbers, fax numbers, email addresses and websites.

Vendors may submit specifications for all equipment bid, as well as options available. Please submit these specifications on a cd or dvd or flash drive. It is preferred that vendors have a website where customers can go and view the products. The Central Purchasing Statewide Contract website will be updated as necessary.

The manufacturer's price list date that you are being asked to provide is considered the "starting point" of the contract and is to be used as a measurement of price increases throughout the contract. (i.e. at the end of the contract year, the purchases will be compared to annotate any price changes that were made.) You will be expected to provide brochures and descriptive literature to those customers who request it and the contracting officer responsible for the maintenance of the contract. Although you will not be required to send actual pricing sheets as the prices are updated, you will be required to notify the contracting officer when there are price changes and a note will be made to the website where your contract will be located.

The Vendor will be expected to notify the Contracting Officer of any changes in the Company status, such as mergers, sell offs, discontinuation of equipment, addition of equipment lines and changes in the contact information for the contract. It is imperative that the Contracting Officer be able to contact someone at all times during business hours, especially when helping an entity make a decision on equipment they want to purchase.

With the age of technology, customers are more likely to use the internet to research the equipment they are interested in buying. We will put a link to your website on the contract website. Please provide a guide to the use of your website if you require a name and password to access current pricing, if listed, at no subscription cost to the State of Oklahoma. Also, please provide any additional enhancements such as any special ordering features available to users or a site with pricing specific to the Oklahoma contract even though we are not requiring you to offer a direct link to the Oklahoma-specific contract pricing or your current price lists.

Website: www.greatplainskubota.com

Log-in required? ☐ Yes ☒ No

Government entities who will be buying from this contract will be expected to provide their accounting offices with a pricing sheet or pricing sheet reference date at the time they prepare their payment method. This pricing sheet will clearly state the Price Book/Catalog Number and Date. This sheet is to be attached to the quote provided by the Vendor. The quote will reference the Statewide contract number being used for the purchase. All set up charges, testing, and freight charges are to be included in the quote as separate line items.

Discounts offered will remain the same or can be increased throughout the contract period. Multiple Unit discounts are encouraged.

Replacement parts	90 Days (or remainder of unit warranty, whichever is longer)
Emissions Warranty Designated units are covered by emissions warranty on certain components. See pages 12-25 for details	

Limited Warranty

All new products are warranted to be free from defects in material and/or workmanship for one (1) year. Under no circumstances will it cover any merchandise or components thereof, which, in the opinion of the company, have been subject to misuse, unauthorized modifications, alterations, accidents, or if repairs have been made with parts other than those obtainable through Paladin Light Attachment Tools.

Warranty period will begin on the date of invoice, or 6 months after invoice date if no product registration is received. In the event of a defect within the warranty period (excluding: Cable, ground engaging parts such as sprockets, digging chain, bearings, teeth, tamping and demolition heads, blade cutting edges, pilot bits, auger teeth, auger heads, and broom brushes) and after examination, it is determined failure was due to defective material and/or workmanship, part(s) will be repaired or replaced. PLC may request defective part(s) be returned to them for inspection at their place or business or sent to a specified locations.

Any claims under this warranty must be made within thirty (30) days from date of repair, and all repairs must be made within 30 days from date of failure. All claims not made in writing and received within these time periods specified above shall be denied.

LIMITATIONS ON RESPONSIBILITY

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, AND THERE ARE NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL PALADIN LIGHT ATTACHMENT TOOLS BE LIABLE FOR CONSEQUENTIAL OR SPECIAL DAMAGE.

PALADIN LIGHT ATTACHMENT TOOLS LIABILITY FOR ANY AND ALL LOSSES AND DAMAGES TO BUYER, RESULTING FROM ANY CAUSE WHATSOEVER, INCLUDING NEGLIGENCE, IRRESPECTIVE OF WHETHER SUCH DEFECTS ARE DISCOVERABLE OR LATENT, SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE PARTICULAR PRODUCTS WITH RESPECT TO WHICH LOSSES OR DAMAGES ARE CLAIMED, OR, AT THE ELECTION OF PALADIN LIGHT ATTACHMENT TOOLS THE REPAIR OR REPLACEMENT OF DEFECTIVE OR DAMAGED PRODUCTS.

Warranty Procedures

Upon notification of a problem/failure on a component, please advise the Customer Service Department as to the following:

- Serial number of the attachment
- Description of specific component failure
- Number of hours on Prime Mover
- Comments pertaining to failure from end user

If repair will require parts, **you must refer to warranty consideration** when ordering parts through the Customer Service Department.

Upon receipt of replacement parts or verbal approval from the Customer Service Department to proceed with warranty resolution, all defective parts must be retained for evaluation by the brand. **Failure to retain defective parts will result in cancellation to any warranty consideration.**

If a defective component is deemed necessary to be returned to the brand, a Returned Merchandise Authorization (RMA) number will be issued. All shipping documents should show this number.

If a defective component can be fixed at your location or in the field, please **notify the brand for approved rework authorization**. Send a picture of the defect to the Customer Service Department before proceeding with any other repairs.

Upon completion of the repairs, send all pertinent documentation showing labor hours, material costs, and any other warranty costs as described in the Paladin Attachment Tools Warranty Policy.

Flat rate hours will be quoted by the Customer Service Department for any repair. If problems are encountered that were not addressed originally, the brand must be contacted to obtain authorization for additional labor hours. Each brand cannot be responsible for work performed without prior notification.

Warranty Statement - General Products

LIMITED WARRANTY STATEMENT - GENERAL PRODUCTS Addendum 'A' to Dealership Agreement

Land Pride warrants to the original purchaser that this Land Pride product will be free from defects in material and workmanship for a period of one year, from the date of delivery to the end user, when used as intended and under normal service and conditions. Certain products can carry extended warranties on specific components. A Warranty Summary by Product, which can be modified from time to time, is made available to all Authorized Land Pride Dealers.

This Warranty is limited to the repair or replacement of any defective part by Land Pride and the installation by the dealer of any such replacement part, and does not cover common wear items such as blades, belts, tines, tires. Land Pride reserves the right to inspect any equipment or parts which are claimed to have been defective in material or workmanship.

This Warranty does not apply to any part or product which in Land Pride's judgment shall have been misused or damaged by accident or lack of normal maintenance or care, or which has been repaired or altered in a way which adversely affects its performance or reliability, or which has been used for a purpose for which the product is not designed. Misuse also specifically includes failure to properly maintain oil levels, grease points and drive line shafts. Land Pride reserves the right to make changes in materials or design of the product at any time without notice.

This Warranty shall not be interpreted to render Land Pride liable for damages of any kind, direct, consequential, or contingent to property. Furthermore, Land Pride shall not be liable for damages resulting from any cause beyond its reasonable control. This Warranty does not extend to loss of crops, any expense or loss for labor, supplies, and rental machinery or for any other reason.

No other warranty of any kind whatsoever, express or implied, is made with respect to this sale; and all implied warranties of merchantability and fitness for a particular purpose which exceed the obligations set forth in this written Warranty are hereby disclaimed and excluded from this sale.

This Warranty is not valid unless product is registered with Land Pride within 30 days from the date of delivery to the end user.

Warranty Statement By Product

Any warranty will be void if proper and regular maintenance and upkeep has not been performed.
