All State Agencies must use this contract for the product specified here, unless an ordering agency has received a written exception from the Central Purchasing Contracting Officer

Authorized Users: All State Departments, Boards, Commissions, Agencies and Institutions. The Oklahoma Statutes state that Counties, School Districts and Municipalities may avail themselves of the contract subject to the approval of the successful supplier(s).

Conditions included in this contract shall be the same for local governments. The State has no responsibility for payments owned by local governments. Suppliers must deal directly with those local governments.

There is no limit on the number that may be issued. Delivery to multiple destinations may be required. All orders are subject to the terms and conditions of this contract. Any order dated prior to expiration of this contract shall be performed. In the event of conflict between a purchase order and this contract, the contract shall have precedence.

After that date, if there have been industry-wide price increase announcements, suppliers may request an increase in the same amount as the announced increase from the mills. Price increases may be requested only once every quarter and must be approved by the contracting officer. Pricing changes must be submitted 30 days before the date of the effective change. Documentation from the mill and a list detailing the item with the new price change shall be submitted. Increases will not affect any orders issued prior to the effective date of the price changes. Supplier's failure to promptly notify the State of any price decreases may result in the cancellation of their contract. No price reduction may be offered to an agency unless that reduction is offered to all agencies.

Substitutions: Only brands and number stated in the award are approved for delivery under this contract and any substitutions must receive prior approval from the Contracting Officer or ordering entity.

State and Federal Taxes: Purchases by the State are not subject to any sales tax or Federal excise tax. Exemption certificates will be furnished upon request.

Invoices shall contain the contract number and purchase order number. Failure to follow these instructions may result in delay of processing invoices for payment. The Company or Corporation submitting a proposal shall be the only office authorized to receive orders, invoice and receive payment. If the Vendor wishes to ship or provide service from a point other than the address listed on the face of the RFP, the Vendor will furnish a list of these locations. No ordering or invoicing will be done at these locations.

Invoicing shall be made in accordance with instructions by agency or division issuing the purchase order.

If you are paid more than 45 days after submitting a proper invoice, you may be entitled to claim an interest penalty. Contact the Office of State Finance for a copy of the regulations.
