## Child Safety & Care Products

Award winning ideas  
that keep growing... and growing

Founded in 1983, Tee-Zed Products Pty Ltd - an international company headquartered in Australia with offices in the USA, United Kingdom, Hong Kong and New Zealand has a global focus on Child Safety Products.

Tee-Zed produces and markets Dreambaby® - an innovative, quality brand of child safety and care products which also provides excellent value. Dreambaby® aims to create a safe environment for children by developing products that respond to the growing needs of today's busy parents and carers.

Dreambaby® represents expertise in product research, design and development along with imagination in finding clever solutions. This is achieved while always dealing with customers and suppliers with the utmost integrity.

Dreambaby® works in partnership with you.

- Easy to install with no tools
- Fits most valves
- Prevents the knob from being turned without removing cover

## DOORS AND WINDOWS

Dreambaby® has developed a range of locks and barriers to help prevent children from falling out of windows and balconies, as well as preventing strangulation from blind cords.

Help to protect children from dangerous areas of the home, and from slamming fingers in doors, with these excellent door knob covers, catches and more.

### #924 BREEZZ-SAFE® Window Restrictor

- Designed to reduce the risk of falls and accidents caused by open windows
- Limits a window opening to a secure 10cm / 4in distance yet still allows breeze to flow
- Enables the window to be opened to a restricted distance
- Strong stainless steel head and high tensile steel cable
- Suits a variety of window types; hinged, sash, sliding
- Key operated.

### #928 BREEZZ-GUARD® Keyless Window Restrictor

- Designed to restrict opening distance of sliding aluminum windows to recommended 10cm / 4in to reduce the risk of injury from falls
- No key required

NEW

### BREEZZ-LOCK® Sliding Window Restrictor

#926 (Black)  
#927 (White)

- Designed to restrict opening distance of sliding aluminum windows to recommended 10cm / 4in to reduce the risk of injury from falls
- Quick installation with template included
- Once installed key is not required to open to the set ventilation position

### #908 Ezy-Fit Door Knob Covers (3 pk)

- Easy for adults to grip and turn
- No tools required
- Helps prevent children gaining access to laundries, garages and other rooms

### #136 Door Knob Covers (3 pk)

- Easy to install on most round door knobs
- No tools required
- Helps prevent children gaining access to laundries, garages and other rooms

### #169 Sliding Glass Door Safety Decals (6 pk)

- Children often run into clean, closed glass doors. The decals are visible from both sides of the door helping children realise the doors are closed
- Static Cling
- Durable and re-usable
- 26.7 x 9cm / 10.5 x 3.5in

### #806 Fold-down Sliding Door & Window Locks (2 pk)

- Safely limits opening
- Easily fitted
- Made from durable transparent material
- Suitable for glass and most other surfaces
- Fold down to use doors and windows normally
- Allows fresh airflow
- No tools required

### #167 Window Latch Inward opening windows

- Allows fresh airflow
- Easily fitted to most wooden windows and frames
- Suitable for inward opening basement windows

### #168 Window Latch Outward opening windows

- Helps secure windows
- Allows fresh airflow
- Easily fitted to most wooden windows and frames
- Suitable for outward opening casement windows

### #117 Door Stopper #1172 (2 pk)

- Installs easily without any tools
- Best placed near the top of any door to help prevent accidental shutting or slamming on little fingers

### #824 Fish Door Stoppers (2 pk)

- Installs easily without any tools
- Best placed near the top of any door to help prevent accidental shutting or slamming on little fingers

### #848 Door Stopper (Wolf) #846 (Croc) #847 (Shark)

- Installs easily without any tools
- Easily fitted near the top of any door to help prevent accidental shutting or slamming on little fingers

### #166 Brass Sliding Window Locks (2 locks & 1 Key)

### #710 (8 Locks & 2 Keys)

- Limits window opening
- Allows fresh airflow
- Easily fitted to most horizontal & vertical aluminium sliding windows
- Fold down to use doors and windows normally

### #865 Blind Cord Wraps (4 pk)

- Easy to use
- Helps reduce the risk of strangulation by keeping long dangling cords and bead chains of windows and curtains out of reach of children

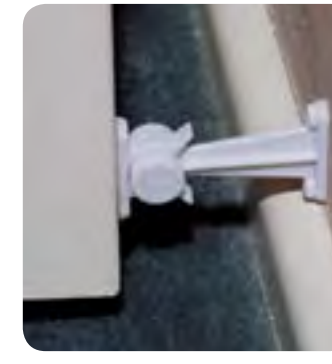

### #131 Blind Cord Wind-Ups (2 pk)

- Easy to use and install
- Helps to reduce the risk of strangulation
- Always keep dangling cords and bead chains of window blinds and curtains out of reach of children

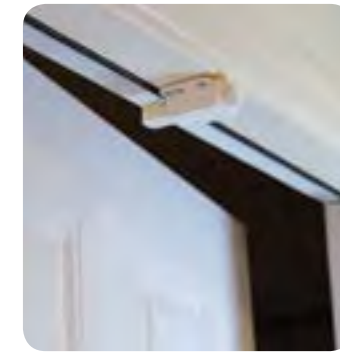

### #144 Under Door Gripper #179 (2 pk)

- Easy to use
- Suitable for carpet, tiles, wood and more
- Assists in holding door in open position
- Will prevent slamming doors and pinching little fingers

### #127 Door Catches (2 pk)

- Easy to install
- Keeping doors latched in an open position will help prevent children from trapping or pinching fingers, or accidentally locking themselves in a room

### #164 Stop Slam

- Works on doors & toy box lids
- Helps prevent doors from slamming shut on little fingers
- Doors can be fully closed when closed slowly

### #864 Bi-Fold Door & Cabinet Lock

- Easily installed
- Simply fits onto the top of most bi-fold doors & cabinets

## ELECTRICAL

Curious children love to investigate and explore, so it is important to prevent as many potential injuries as possible around the home.

### #157 Transparent DVD & Multimedia Shield

- Prevents children from pushing buttons
- Helps prevent damage to system controls and disc drawer of DVD and CDs
- Does not interfere with remote control signal
- Patent Protected

### #137 Cord Shortener

- Easy to use
- Helps keep long, dangling electrical cords from household appliances and lamps out of the reach of children
- Helps prevent possible electrical shock and risk of strangulation

### #138 Weather Proof Cord Clamp

- Weatherproof
- Helps keep extension cord plugs and sockets firmly attached, reducing a child's access to exposed "live" pins and sockets
- Heavy duty locking system prevents accidental unplugging of appliances

## OUTLET PLUGS AND COVERS

Electrical outlets can pose serious risk to curious children. Our extensive range of electrical appliance security and outlet covers can help to minimise the risk of injury and electrocution.
