WARRANTY: DIAMOND MOWERS, INC products are warranted to the original retail purchaser against defects in material and workmanship which occur within twelve (12) months (or longer when purchasing an extended warranty) from the date of delivery to the purchaser, or the date of delivery to the carrier in the case of F.O.B. shipments. DIAMOND MOWERS, INC's warranty shall be limited, at DIAMOND MOWERS, INC's option, to repair or replace any defective parts or components. Such repair or replacement shall be the purchaser's sole and exclusive remedy hereunder. Expendable components including but not limited to knives, oil, chain sprockets, skid shoes, knife mounting disks, and similar components are excluded from this warranty. Normal wear and tear, along with routine maintenance, is always excluded from this warranty. Purchaser shall pay all transportation costs associated with request for warranty service, including costs and expenses of transporting the product or component part to DIAMOND MOWERS INC's service centers. Warranty service shall be performed by the DIAMOND MOWERS INC Dealer from who the product was purchased, in the Dealer's service department, during regularly scheduled hours of operation.

WARRANTY VOIDED BY MODIFICATION, ALTERATION OR MISUSE: This warranty is void if (1) the product is modified or altered in any way not approved, in advance and in writing, by DIAMOND MOWERS, INC, (2) if other than genuine DIAMOND MOWERS, INC parts have been installed, or (3) the product or its components have been subjected to misuse, neglect, accident, damage, improper maintenance, or improper operation.

LIMITATION OF LIABILITY: DIAMOND MOWERS, INC shall not be liable in contract, tort, or otherwise, for any special, indirect, incidental or consequential damages, such as, but not limited to, loss of profits, loss of production, or from injury or damage caused by reason of the installation, modification, use, repair, maintenance, diagnostics or mechanical failure of a DIAMOND MOWERS, INC product. DIAMOND MOWERS, INC shall not be liable for any cost incurred related to assessing, analyzing or diagnosing any damage to, or defect in, any product, regardless of whether it is a DIAMOND MOWERS, INC product or the product of another manufacturer, vendor or other third party. DIAMOND MOWERS, INC's warranties hereunder extend only to the direct customer of DIAMOND MOWERS, INC (or to the first user of the product if the direct customer purchases solely for the purpose of resale). DIAMOND MOWERS, INC makes no warranties when the damage results from the failure to follow instruction decals. The purchaser or user of any DIAMOND MOWERS, INC equipment shall be responsible for all ordinary maintenance, adjustments, and cleaning of the product. In the event that the DIAMOND MOWERS, INC product is not properly maintained, all warranties by DIAMOND MOWERS, INC are null and void. Certain of the component parts of the DIAMOND MOWERS, INC product are purchased from other vendors; DIAMOND MOWERS, INC warrants these component parts only to the extent of the vendor's warranties. DIAMOND MOWERS, INC shall repair or replace such component parts in accordance with the vendor's warranty policy only if DIAMOND MOWERS, INC, in its sole discretion, determines such component parts to be defective.

ASSUMPTION OF RISK: Purchaser, and any subsequent user, assumes the risk of, and liability for, all loss, damage, or injury to persons or property caused by misuse of DIAMOND MOWERS, INC products. Misuse includes the failure to read, understand or follow all instructions in the operator's manual(s) and the warning decals on the equipment.

WARRANTY DISCLAIMER: To the maximum extent permitted by applicable law, DIAMOND MOWERS, INC makes no warranties other than those stated herein, and these warranties are expressly in lieu of all other warranties, whether expressed or implied, including by way of example and not by way of limitation, any warranties of merchantability or fitness for a particular purpose, and also in lieu of any other obligations or liabilities on the part of DIAMOND MOWERS, INC. During the period of the warranty, the exclusive remedy is repair or replacement of the product.

Any claim against DIAMOND MOWERS, INC for loss or damage to products in transit shall be handled as follows: Immediately upon delivery purchaser must inspect product for damage. If damage is detected or suspected, purchaser must notify the carrier (by writing on the bill of lading – at the time of delivery) and must also notify DIAMOND MOWERS, INC within one day of delivery (by phone call, email or letter) of any damage sustained to product. All RISK OF LOSS for damage in transit passes to purchaser upon acceptance of delivery, and any failure on the part of purchaser to detect damage and/or failure to strictly adhere to the foregoing notification requirements shall constitute a waiver of claim and shall transfer all RISK OF LOSS to purchaser.

GENERAL PROVISION: The failure of DIAMOND MOWERS, INC to enforce any right will not be construed as waiver of DIAMOND MOWERS, INC's right to enforce performance in the future.
