NOTE: Customers are free to provide their own chassis. Chassis' can be new (purchased directly from other state contracts...), used or we can provide them. Our manufacturers sometimes stock "pool" chassis to expedite delivery times. The discount given on this bid, only applies to the G-S Products manufactured portion, not the chassis. We receive no discount on chassis prices. If chassis are to be provided by Frontier Equipment Sales, LLC they will be provided at our net price (no profit). No discounts are given on chassis. If customer provides the chassis, they will be responsible for delivery of unit to G-S Products 322 Lavansville Rd. Somerset, PA 15501 (this is usually free) and that it conforms to the minimum specification required by the garbage truck manufacturer. We will provide the minimum specifications to the customer.
