Contract Overview:

The Contract is awarded as a statewide contract Supplier for two categories of Hazardous Waste Services. Category 1 includes the Routine disposal service, which includes waste pickup scheduling and on an as needed basis of hazardous waste generated and/or managed by requesting entities or their laboratories, including removal, transportation, treatment, storage and disposal of such waste. Category 2 includes services providing a response to situations involving the release or threatened release of hazardous substances and/or pollutants as defined in the Code of Federal Regulations.

Authorized Users:

All state departments, boards, commissions, agencies, and institutions, in addition to counties, school districts and municipalities which may avail themselves of this contract.

How to Order:

1. For product and pricing information review awarded contract documents “Attachment E Pricing”.
2. Request a quote from the supplier. All quotes must reference SW0092EW
3. Generate a purchase order made payable to the desired supplier. You must reference the statewide contract number SW0092EW on your purchase order by attaching the PeopleSoft Contract.
4. Email your purchase order to the designated supplier sales representative.
