HALO is the Original Manufacturer of all products.

HALO will not require the Authorized Users to have a minimum order, and no additional charges will be charged to Authorized Users with the exception of Rush Deliveries that are not as a result of a HALO error.

After an order is placed, product should arrive within 5-8 business days after receipt of the order for all standard orders.

Any rush order would need to be submitted to HALO before Noon CST. If order is placed before Noon CST, product can be delivered by the next business day. Provided the order is not over 300 pieces.

Provided the rush order is submitted before Noon CST, and is not over 300 pieces, the order can be delivered on the next business day. If the rush is the result of HALO's error, we will absorb the cost of the rush.
