Description of Amendment:

a. This is to incorporate the following:

On behalf of the State of Oklahoma, the Office of Management and Enterprise Services (OMES) gives notice of the following amendment to this solicitation:

Amendment to Correct Solicitation # on Exhibit 1.

On behalf of the State of Oklahoma, the Office of Management and Enterprise Services (OMES) gives notice of the following questions concerning this solicitation, received during the Q&A period, which closed on 9/9/2022. All questions and procurement/agency responses are detailed below:

Q1: Please clarify if the document titled, (OMESITSecurityCertification) is required to be submitted with this bid and if so, where would you like it inserted into the preparation of the bid format.

Response:

The Security Certification would need to be provided **only** if the systems used by a Supplier will save the State's credit card information on those systems. You may need to ask your IT staff if this is the case. If it is determined a Supplier is recommended for award then the assessment would require approval by the OMES Cyber Security Team.

If applicable, and per page 6 of the Bidder Instructions, 8.2 Required Bid Packet Format, you would insert it Section Eight: Response to Specs.

b. All other terms and conditions remain unchanged.
