To whom it may concern:

This letter is verification that Noble Public Schools has worked in partnership with Nathan's Automotive in Noble, Oklahoma, for more than 20 years. Nathan's has performed service on many of our fleet vehicles, our buses, and our student transportation vehicles.

Nathan's Automotive is also a supporter of our public school system. They work to support our fundraising needs and are always willing to support those in need. I couldn't speak more highly of another business than Nathan's Automotive.

If you need any further information from us, please contact me at your convenience.

Respectfully,
