

Hustler Turf Equipment, Inc.
200 S. Ridge Road
Hesston, Kansas 67062-2097
Tel. (620) 327-4911

Other than setting up the equipment and delivering to the agency with operational instructions at no charge, the other service we have is we will add on anything option not offered by Hustler but sold by the dealer to our quote. An example of this would be a sun shade. Hustler does not offer one but if a agency wish to have one installed on their new mower I would add that item onto my quote so only one PO would need to be issued.
