**Available Brands:**

THENTIA USA INC

---

**Available Products and Services:**

Occupational Business Licensing. The solution will provide government agencies with the ability to manage, verify and track government licenses issued by their organization in a centralized and automated manner. This includes the ability to track the status of licenses, expiration dates, renewals, continuing education, and any other information relevant to a given license. Licenses are intended to protect public health, safety, and welfare, by ensuring that those who engage in these activities or use these resources are qualified and comply with applicable regulations.
